### Standard Features

- All welded construction - sturdy lightweight aluminum frame
- 15 different wood grain finishes
- Unlimited crypton & vinyl selections
- Meets CAL TB 117 fire rating  
CAL TB 133 fire rating available
- Finish will not chip even when stacked
- 350 lbs. weight capacity
- Optional front casters
- Metal or nylon booted swivel glides

### Description

Perfect pulled up to a dining table or as part of a resident room, the Washington I easily adapts to many room designs. The fully upholstered, curved back extends the length of the chair and elongates the chair's strong silhouette. A wider seat allows users to sink into the plush padding, offering maximum comfort.
